Summary

Increase your child's financial vocabulary with this matching game

Objective

To learn the meaning of various financial words

Supplies

1 Match Set Sheets
1 Terms & Definitions Reference Sheet
1 Scissors

Set-Up

1. Print the Matches Set Sheets, single-sided, at the end of this activity sheet
2. Cut out the matches
3. Print the Terms & Definitions Reference Sheet

How to Play

1. Shuffle the matches
2. Place the sheets of paper face down on a flat surface
3. Try to match terms with their definitions by flipping over two papers. Matches have the same number on each piece of paper. You can also refer to the Terms & Definitions Reference Sheet to verify matches.
4. If a player finds the term and its definition, they take the match, removing the pieces from the play area, and may have another turn to find a match until no match is found.
5. If a match is not found on a given turn, flip the guessed matched back face down for the next player.

6. Continue taking turns until all the matches are found.
7. The player with the most matches wins.

Variation 1: Luck of the Draw

1. Separate the matches into terms and definitions.
2. Take the terms and place them into a drawing bag. A drawing bag could be a paper bag, plastic bag, container, or pillowcase.
3. Take turns randomly drawing the terms and guessing the definitions.
4. Or you can place the definitions and place them in the drawing bag, taking turns guessing the terms.
5. Play individually, in teams, or with multiple players

Variation 2: Read Aloud

1. Separate the pieces into definitions and terms.
2. Play by reading the term aloud and have the other player give the definition and vice versa.
3. Play individually, in teams, or with multiple players
